

JOB SPECIFICATION SKATE STEWARDS

The Skate Stewards of CurveMotion are fundamental for the safety and enjoyment of all those using the skate rink. They report to the shift Duty Manager and are responsible for the discipline and care of all personnel using the skating rink. They must control the flow and speed of skaters plus assist beginners and any other persons requiring help.

Their duties will include (but not be limited to) the following:

- Ensuring customers enjoy their skating experience at CurveMotion in a fun and safe environment
- Supervision of all skaters entering/leaving the rink and whilst on the rink
- Ensure session periods are complied with (monitoring wristbands being worn)
- Following all company procedures and processes
- Ensure all skaters follow the General Entry and Skating Rules at all times
- Immediately assist any fallen or injured skater
- Assist any First Aider as appropriate
- Assist learner skaters for short periods of time without compromising the main role of safety for all skaters
- Supervise games
- Be aware of any dangerous skates being used and act as necessary
- Assist with Skate Hire as required
- Ensure all Skate Stewards act safely and responsibly at all times to set an example to other skaters
- Assist floor staff with clearing and cleaning tables as necessary

Applicants must be experienced roller skaters and will be required to pass a proficiency test as part of the interview process.

CURVEmotion

Any person applying for this role must be enthusiastic, self-motivated, dedicated, well presented and professional at all times. They must display excellent inter-personal and communication skills. The ability to work as part of a team is essential.

The role will demand flexible and varying working hours including evenings, weekends and bank holidays.

Applicants must be EU citizens or prove eligibility for work in the UK.
